D.O. No.C-50/98-2014-Ad.II

7 October, 2014

Dear Chief Commissioner/Director General,

The Board has been receiving a large number of representations directly from officers, without routing the same through proper channel. Advance copies are also being received and it is seen that often these advance copies are also endorsed to various other authorities. Often, therefore, the administration is flooded with 4-7 copies of the same representation received through different routes. This is generating unnecessary work all around starting with entry into the FTS (File Tracking System) as well as handling of many copies by the Sections. You would appreciate that precious man hours of officers and staff are lost in handling extra copies of the same representation. Such time could be utilized far more productively.

2. You may, therefore, advise all officers under your charge to address representations only to the relevant authority who is competent to dispose of the same, and send the same through proper channel. It may be brought to the notice of the officers that no action will be initiated merely on receipt of an advance copy of the representation.

3. While forwarding the representations to the Board, Chief Commissioners/Director Generals will ensure that facts of the case are verified and that copies of relevant documents duly self-certified/attested are enclosed to facilitate timely process and an early decision on the representation. Chief Commissioners/Director Generals are also advised to send their recommendations on the representations being forwarded by them.

With best wishes,

Yours sincerely,

(JOY KUMARI CHANDER)

All Chief Commissioners/Director Generals of Customs and Central Excise.
